Set the stage for one of INTERKULTUR's most popular events: Since 2012 the annual festival "Canta al mar – Festival Coral International" in Calella and Barcelona has been a highlight attraction for countless choirs from all around the world.

In 2025, new venues located directly at the beach, as well as must-have events like "Calella Sings" in the historic city center and the "Fiesta de la amistad" with local delights create extensive opportunities to meet the locals and to socialize with fellow singers from all around the world.
